

Serge Bourgeois
HNB Vance Toner Hockey Development

Hockey New Brunswick is pleased to award the 2021-22 Vance Toner Hockey Development Award to Serge Bourgeois of Moncton, N.B.

The Vance Toner Hockey Development Award was established in 1995 to recognize an individual who has exemplified strong qualities as a teacher, coach and administrator, not only within their community, but throughout New Brunswick.

Serge is a committed hockey volunteer who goes above and beyond to deliver exceptional hockey experiences in his community. Serge has organized and promoted the Hockey Canada U7 program and, through the program, created a weekly early risers' session and developed a pre-season camp. He prepares and designs practice plans that are appropriate for the U7 level and ensures they will encourage proper development within a fun, positive environment.

In addition to developing young players, Serge also takes it upon himself to mentor young and new coaches. He is happy to provide guidance in a constructive way. He maintains constant communication to help coaches and players grow and is always willing to jump on the ice to assist with only a moment's notice. Serge also emphasizes the importance of fair play for all.

Serge has extensive experience with the sport, including at the university and professional levels. His background allows him to communicate easily with all members of the association and everyone values his input and opinions.

Congratulations to Serge on his achievements.
