

Tania Poole
HNB J. Charles Daigle Award

Hockey New Brunswick is pleased to award the 2021-22 J. Charles Daigle Award to Tania Poole of Grand Bay-Westfield, N.B.

The J. Charles Daigle Award was established in 1976 in memory of Charles Daigle to recognize exemplary individuals at the executive level. Award criteria includes character, dedication to the sport, ability to organize and administer, and outstanding contribution to the improvement of hockey within New Brunswick.

Tania is an active and dedicated volunteer who has served as a manager for the Lancaster Thunder U18 AA team for the past three years. She is passionate about the sport and creating positive experiences for players. Tania began managing the team before her child was even on it, a clear demonstration of her commitment to helping others.

In her role over the past three years, Tania has been known for going above and beyond to keep team members engaged and well-informed. She is responsible for planning events and her organization skills have been invaluable for the players and parents on her team.

Tania treats every player with respect. She organized a ceremony to recognize the senior players on the team after their final game, which also included the opposing team's players and parents. The send-off was emotional for many and is just one of many thoughtful gestures from Tania over the past three years.

Congratulations to Tania on her achievements.
