1.0 Hockey New Brunswick's Commitment to Safe Sport

Hockey New Brunswick and its Members have a fundamental responsibility and legal and ethical obligation to protect the health, safety and physical and mental well-being of every individual that is involved in the sport of hockey under the jurisdiction of Hockey New Brunswick.

Hockey New Brunswick and its Members take any situation involving misconduct or maltreatment very seriously. For this reason, we are committed to enacting and enforcing strong, clear, and effective policies and processes for preventing and addressing all forms of misconduct or maltreatment.

The policies are intended to promote a Safe Sport environment in a manner that allows for consistent, immediate, appropriate, and meaningful action should any issues arise, but also to prevent issues from arising in the first place by communicating expected standards of behaviour.

Hockey New Brunswick also recognizes the recent development of the Universal Code of Conduct to Prevent and Address Maltreatment in Sport ("UCCMS") and its responsibilities to integrate the UCCMS into its policies.

What is Safe Sport?

Safe Sport provides a framework to ensure that everyone in the sport of hockey is able to enjoy the sport. Players, coaches, officials and volunteers have the right to participate in a safe and inclusive environment that is free of maltreatment including abuse, harassment and discrimination.

Everyone involved in Hockey New Brunswick activities should be aware that child abuse may be the subject of a criminal investigation and/or disciplinary procedures. 5.0 Athlete Protection Policy

Purpose

This *Athlete Protection Policy* describe how Persons in Authority shall maintain a safe sport environment for all Athletes.

Interactions between Persons in Authority and Athletes – the ‘Rule of Two’

Hockey New Brunswick and its Members strongly recommend the ‘Rule of Two’ for all Persons in Authority who interact with Athletes. The Coaching Association of Canada describes the intention of the ‘Rule of Two’ as follows:

A coach must never be alone or out of sight with a minor athlete. Two NCCP trained or certified coaches should always be present with an athlete, especially a minor athlete, when in a potentially vulnerable situation such as in a locker room or meeting room. All one-on-one interactions between a coach and an athlete must take place within earshot and in view of a second coach except for medical emergencies. One of the coaches must also be of the same gender as the athlete. Should there be a circumstance where a second screened and NCCP trained or certified coach is not available, a screened volunteer, parent, or adult can be recruited.

Hockey New Brunswick recognizes that fully implementing the ‘Rule of Two’, as described above, in all circumstances, may not always be possible. Consequently, at a minimum, interactions between Persons in Authority and Athletes must respect the following:

- a) The training environment should be open and transparent so that all interactions between Persons in Authority and Athletes are observable.
- b) Private or one-on-one situations must be avoided unless they are open and observable by another adult or Athlete.
- c) Persons in Authority shall not invite or have a Vulnerable Individual in their home without the written permission and knowledge of the Vulnerable Individual's parent or guardian and following the ‘Rule of Two’ / two deep rule.
- d) Vulnerable Individuals must not be in any situation where they are alone with a Person in Authority without another screened adult or Athlete present unless prior written permission is obtained from the Athlete’s parent or guardian.

Practices and Competitions

As it relates to practices and/or competitions, the following shall be respected:

- a) A Person in Authority should never be alone with a Vulnerable Individual prior to or following a competition or practice unless the Person in Authority is the Athlete’s parent or guardian.

- b) If the Vulnerable Individual is the first Athlete to arrive, the Athlete's parent should remain until another Athlete or screened Person in Authority arrives.
- c) If a Vulnerable Individual would potentially be alone with a screened Person in Authority following a competition or practice, the screened Person in Authority should ask another Person in Authority (or a parent or guardian of another Athlete) to stay until all of the Athletes have been picked up. If an adult is unavailable, another Athlete, who is preferably not a Vulnerable Individual, should be present in order to avoid the Person in Authority being alone with a Vulnerable Individual.
- d) Persons in Authority giving instructions, demonstrating skills, or facilitating drills or lessons to an individual Athlete should always do so within earshot and eyesight of another screened Person in Authority.

Communications

Communications between Persons in Authority and Athletes should respect the following:

- a) Group messages, group emails or team pages are to be used as the regular method of communication between Persons in Authority and Athletes.
- b) Persons in Authority may only send texts, direct messages on Social Media or emails to individual Athletes when necessary and only for communicating information related to team issues and activities (e.g., non-personal information). Any such texts, messages or emails shall be professional in tone.
- c) Electronic communication between Persons in Authority and Athletes that is personal in nature should be avoided. If such communication occurs, it must be recorded and available for review by another Person in Authority and/or by the Athlete's parent/guardian.
- d) Parents and guardians may request that their child not be contacted by a Person in Authority using any form of electronic communication and/or to request that certain information about their child may not be distributed in any form of electronic communications.
- e) All communication between a Person in Authority and Athletes must be between the hours of 7:00 a.m. and 11:00 p.m. unless extenuating circumstances justify otherwise. (Example – early morning practices / late game, etc or emergencies).
- f) Communications concerning drugs or alcohol use (unless regarding its prohibition) is not permitted.
- g) No sexually explicit language or imagery or sexually oriented conversation may be communicated in any medium.
- h) Persons in Authority are not permitted to ask Athletes to keep a secret for them.

Travel

Any travel involving Persons in Authority and Athletes shall respect the following:

- a) Teams or groups of Athletes shall always have at least two screened Persons in Authority with them.

- b) For mixed gender teams or groups of Athletes, there should be one screened Person in Authority from each gender.
- c) Screened parents or other volunteers will be available in situations when two Persons in Authority cannot be present.
- d) No Person in Authority may drive a vehicle alone with an Athlete unless the Person in Authority is the Athlete's parent or guardian.
- e) A Person in Authority may not share a room or be alone in a hotel room with an Athlete unless the Person in Authority is the Athlete's parent or guardian.
- f) Room or bed checks during overnight stays must be done by two screened Persons in Authority.
- g) For overnight travel when Athletes must share a hotel room, roommates will be age-appropriate (e.g., within two years of age of one another) and of the same gender identity.

Locker Room/Changing Areas

The following shall apply to locker rooms, changing areas, and meeting rooms:

- a) Interactions (i.e., conversations) between Persons in Authority and Athletes should not occur in any room where there is a reasonable expectation of privacy such as a locker room, restroom or changing area. A second adult should be present for any necessary interaction between an adult and an Athlete in any such room (i.e. the Rule of Two must be respected)
- b) If Persons in Authority are not present in the locker room or changing area, or if they are not permitted to be present, they should still be available outside the locker room or changing area and be able to enter the room or area if required, for reasons including, but not limited to, team communications and/or emergencies.

Photography/Video

Any photograph or video involving an Athlete shall respect the following:

- a) Photographs and video may only be taken in public view, must observe generally accepted standards of decency, and be both appropriate for and in the best interest of the Athlete.
- b) The use of recording devices of any kind in rooms where there is a reasonable expectation of privacy is strictly prohibited.
- c) If any photographs or videos will be used on any form of public media, an Image Consent Form must be completed before any images are taken and used.

Physical Contact

It is recognized that some physical contact between Persons in Authority and Athletes may be necessary for various reasons including, but not limited to, teaching a skill or tending to an injury. Any physical contact shall respect the following:

- a) Unless it is otherwise impossible because of serious injury or other justifiable circumstance, a Person in Authority must always clarify with an Athlete where and why any physical contact will occur prior to the contact occurring. The Person in Authority must make clear that he or she is requesting to touch the Athlete and not requiring physical contact
- b) Infrequent, non-intentional physical contact during a training session is permitted
- c) Hugs lasting longer than five seconds, physical horseplay, and physical contact initiated by the Person in Authority is not permitted. It is recognized that some Athletes may initiate hugging or other physical contact with a Person in Authority for various reasons (e.g., such as celebrating or crying after a poor performance), but this physical contact should always be limited to circumstances where the Person in Authority believes it is in the best interest of the Athlete and when it occurs in an open and observable environment.

Enforcement

Any alleged violations of this *Athlete Protection Policy* shall be addressed pursuant to the Organization's *Discipline and Complaints Policy*.

Hockey New Brunswick encourages all Individuals to communicate openly, and to collaborate and use problem-solving and negotiation techniques to resolve their differences. Hockey New Brunswick believe that negotiated settlements are most often preferable to arbitrated outcomes. Negotiated resolutions to disputes with and among Individuals are strongly encouraged.

Application of the Policy

- a) This Policy applies to all Individuals.
- b) Opportunities for ADR may be pursued at any point in an investigation when all parties to the dispute agree that such a course of action would be mutually beneficial.

Facilitation and Mediation

- a) If all parties to a dispute agree to ADR, a mediator or facilitator, acceptable to all parties, shall be appointed to mediate or facilitate the dispute.

- b) The mediator or facilitator shall decide the format under which the dispute shall be mediated or facilitated and may, if they consider it appropriate, specify a deadline before which the parties must reach a negotiated decision.
- c) Should a negotiated settlement be reached, the settlement shall be reported to Hockey New Brunswick. Any actions that are to take place as a result of the decision shall be enacted on the timelines specified by the negotiated decision, pending approval of Hockey New Brunswick or the Member (as applicable).
- d) Should a negotiated settlement not be reached by the deadline specified by the mediator or facilitator at the start of the process (if set), or if the parties to the dispute do not agree to ADR, the dispute shall be considered under the appropriate section of the *Investigations Policy* or *Appeal Policy*, as applicable.

Final and Binding

Any negotiated settlement will be binding on the parties. Negotiated settlements may not be appealed.

9.4 Hockey Canada Independent Third Party

Purpose

- a) The purpose of the Independent Third-Party Policy (the “ITP Policy”) is to ensure that all discipline and complaint processes in operation in Hockey New Brunswick are aligned with Hockey Canada’s Discipline and Complaints Policy.

Hockey Canada’s Discipline and Complaints Policy

- b) Hockey Canada has developed its Discipline and Complaints Policy to provide a fully independent and procedurally fair manner to handle Complaints which remain under its jurisdiction even as it becomes a signatory to the Office of the Sport Integrity Commissioner.
- c) Hockey Canada has engaged an Independent Third-Party (“ITP”) to oversee its complaint mechanism. The ITP will be responsible for the administration of all Complaints, which will include accepting and screening Complaints, determining jurisdiction over the Complaints, determining the procedure that will be followed with respect to each Complaint, and selecting the adjudicator(s) who will be responsible for assessing whether a violation has occurred and what the appropriate discipline should be, if any.
- d) In addition to handling national-level Complaints under Hockey Canada’s direct jurisdiction (i.e. Complaints involving Organizational Participants), the ITP has also been given the discretion to, where it sees fit, handle Complaints against Member Participants. The following are examples of situations where the ITP will assume jurisdiction over a Member Complaint:

Where the Complaint features allegations of Serious Misconduct against a Member Participant;

Where, in the estimation of the ITP, a conflict of interest might exist, or be perceived to exist, if the matter was handled by the Member; or

Where the Complaint features Parties from more than one Member and the Members involved cannot agree as to who should take jurisdiction over the matter.

Impact on Member Participants

- e) All Member Participants acknowledge that all Complaints will first be submitted to the ITP in accordance with Hockey Canada’s and Hockey New Brunswick’s direction. A link to make a direct complaint to the ITP will be displayed prominently on the home page of Hockey New Brunswick’s website. Complaints made directly to Hockey New Brunswick,

any hockey association under its jurisdiction, or to any Member Participant will be immediately referred to the ITP for handling.

- f) If the ITP does assume jurisdiction over a Complaint against a Member Participant, the Complaint will be handled pursuant to Hockey Canada's Discipline and Complaints Policy. The ultimate discipline resulting from that Complaint, if any, will be administered by the adjudicator(s) selected by the ITP. By participating in Hockey New Brunswick sanctioned programming, all Member Participants acknowledge and agree that they are bound by the ITP process for Complaints made by or against them.
- g) If the ITP does not assume jurisdiction over the Complaint, the matter will be returned to Hockey New Brunswick to be handled in accordance with its usual policies and procedures.
- h) In effect, therefore, the ITP will sit "on top" of the Hockey New Brunswick existing complaint and discipline policies and procedures as set out in the Safe Sport Policy Manual. Where a matter is returned to Hockey New Brunswick by the ITP, the process as set out in the Existing Policies will continue to be followed.
