**Subject: Orange Alert Phase – update**

---

As announced by the Government of New Brunswick at 3 pm today, Zone 1 and 5 have moved back to the [Orange Alert Phase](#) in the government Recovery Plan.

Unfortunately, this suspends Hockey New Brunswick sanctioned activities in Districts 6, 7 and 11 until further notice. A list of the Hockey New Brunswick districts, and which Minor Hockey Associations they encompass is posted on the HNB website – <https://hnb.ca/en/minor-hockey/hnb-minor-hockey-council>

We will provide further information once it becomes available from the Government of New Brunswick, and we thank everyone in advance for their cooperation as we move through this fluid and very difficult time.

For regions in orange level phase individuals who reside in those regions cannot travel outside of the region to participate in HNB sanctioned activities.

Sanctioned on-ice activities in all other areas of New Brunswick are permitted to continue as scheduled.
